# ABOUT US

Gardeco was founded in the year of 2000. The basic activity of the company is the export of carefully selected own products and products of the best Polish manufacturers. Gardeco provides services only B2B. European trade networks and wholesalers make the majority of Gardeco clients. Thanks to the experience achieved and very good logistics, Gardeco products are available in stationary and Internet stores in whole Europe (Germany, Austria, France, Finland, Sweden, Norway, Denmark, Slovakia, Czech Republic, Lithuania, Latvia, Estonia, Spain, Netherlands and many more). We encourage you to look into our company's wide offer. We are proud to offer high-quality products for house, garden, workshop and landscaping.

The goal of the company is thorough and professional customer service by not only providing the best products at competitive prices, but also through consulting, passing on our knowledge, offering the best solutions, partnership and fruitful, long-lasting cooperation.

# WINTER BRUSHES

We show you our line of winter brushes, which will make working in the garden easier and more enjoyable. These brushes are necessary for the owner of a house with a garden, but also for workers cleaning streets, sidewalks, factories, large industrial halls or farms. These are brushes for special missions! Ideally they can cope with difficult dirt such as mud or autumn leaves. During the winter, you can use them to remove snow and ice on the sidewalks.
